

# NOW HIRING - MEDICAL LABORATORY SCIENTISTS

**\$2,500 IN SIGN-ON INCENTIVES & A RELOCATION BONUS AVAILABLE FOR FULL-TIME & PART-TIME POSITIONS**

**INTERMOUNTAIN HEALTHCARE** is currently looking for Medical Laboratory Scientists to join our team across various locations in Utah!

**Medical Laboratory Scientists (MLS)** are educated, expert detectives who collect, transport, process, and analyze biological specimens, ranging from blood products to cancerous tissue cells. Your inquisitive nature plays a crucial role in the life-saving detection, diagnosis, and treatment of diseases for our patients each and every day.

Join our team today and enjoy the abundant outdoor adventures and the stunning landscapes only Utah can offer!
